appropriate and efficient manner possible as may from time to time be determined by the Township.

- B. To make rules of procedure and conduct, to use improved methods and equipment, to determine work schedules and shifts, to decide the number of employees needed for any particular time and to be in sole charge of the quality and quantity of work required.
- C. The right of management to make, maintain and amend such reasonable rules and regulations as it may from time to time deem best for the purposes of maintaining order, safety and/or the effective operation of the Department after advance notice thereof to the employees to require compliance by the employees is recognized.

Section 2

In the exercise of the foregoing powers, rights, authority, duties and responsibilities of the Township, the adoption of policies, rules, regulations and practices and the furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only to the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of New Jersey and of the United States.

Accordingly, the Union agrees that it will cooperate with the Employer to the end that his business may be operated efficiently and further agrees that it will not interfere in any way with the Employer's right to operate and manage his business provided that nothing herein will permit the Employer to violate any of the terms and/or conditions of this Agreement.

Section 2

Nothing herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the department.

Section 3

The term "grievance" as used herein means an appeal by either an individual employee or the Township from the interpretation, application or alleged violations of the contract, agreements, and administrative decisions affecting them and the terms and conditions of employment. With respect to employee grievances, no grievance may proceed beyond Step One herein unless it constitutes a controversy

Failure to act within said five (5) working days shall be deemed to constitute an abandonment of the grievance.

B. Step Two:

If no agreement can be reached orally within five (5) working days of the initial discussion with the immediate supervisor, the employee or the Union may present the grievance in writing within five (5) working days thereafter to the immediate supervisor or his designated representative. Section 5

The time limits expressed herein shall be strictly adhered to. If any grievance has not been initiated within the time limits specified, then the grievance shall be deemed to have been abandoned. If any grievance is not processed to the next succeeding step in the grievance procedure within the time limits prescribed thereunder, then the disposition of the grievance at the last preceding step shall be deemed to be conclusive. Nothing herein shall prevent the parties from mutually agreeing to extend or contract the time limits for processing the grievance at any step in the grievance procedure.
